

CLOCKS

How to tell the time in new and expressive ways. That's what Umbra does. All our designs are quality, functional time pieces but through the use of interesting materials and design compositions our designers are constantly innovating. Your clock shouldn't just be a functional item but art that is an expression of your creative vision for the objects that surround you and your home.

RIBBONWOOD
WALL CLOCK

Natural bent-formed beechwood wall clock.

Design: Michelle Ivankovic

NATURAL 118071-390
20¼ dia. x 3¾" (51.4 dia. x 9.5 cm)

"Inspired by the material and art of wood bending, the Ribbonwood Clock was designed to be sophisticated and timeless. With its soft modern curves and natural beech wood, this time piece is guaranteed to be design right for years to come."

Design: Michelle Ivankovic

RIBBON
WALL CLOCK

Bent stainless steel wall clock.

Design: Michelle Ivankovic

COPPER 118070-880
BLACK 118070-040
